MISSION STATEMENT AND THE SCHOOLS AIM

Mission Statement

St. Lawrence College is a caring Christian Community, which seeks to recognise the gifts in each of us, and prepares every individual for the challenges ahead.

College life aims to give an academic education of the highest standards, to encourage a spirit of service, and to guide young people towards a personal faith.

Each individual is encouraged to discover his or her own potential for living a happy and worthwhile life through the pursuit of learning, physical endeavour and aesthetic and cultural interests.

We consider it a trust to present young people with opportunities to appreciate excellence, and to acquire sound judgement, initiative and integrity, tolerance and courtesy.

It is our hope that Lawrentians will develop a balanced sense of confidence and security, a healthy curiosity for the contemporary world and sensitivity for the best in our heritage, and that they will live according to a sense of values built upon sound Christian teaching.

We hope to achieve these aims by

1. encouraging intellectual curiosity and academic ambition.
2. stretching our pupils effectively according to their potential.
3. developing personal confidence, emotional maturity and a sensitivity to others.
4. considering the spiritual dimension of life through living in a community based on Christian values and Christian traditions.
5. encouraging pupils to think, using their own minds to think things through for themselves.
6. developing the ability to question and argue rationally and helping pupils communicate effectively.
7. encouraging personal responsibility, independence of mind, initiative, openness and tolerance.
8. instilling a notion of partnership in the educational process among pupils and between teachers and pupils.
9. encouraging good work habits.
10. encouraging creativity and an appreciation of the aesthetic

Admissions Procedure:

Kirby House (Years 7-8)

Admissions are based on an interview with the Headmaster. A copy of a recent school report will also be required. Testing will be carried out where appropriate.

Senior School (Years 9-13)

Admissions are initially based on an interview with the Headmaster. An offer of a place will then be dependent on the common entrance exam or GCSE predictions (13+) and generally a minimum of 5 GCSE passes (16+).

EU and overseas

EU and overseas students will be admitted on the basis of current performance, references, a short language test and a short subject knowledge test, based on subject options as interviews are not always possible. All EU and overseas students are assessed by our specialist EAL staff on entry to the College. Appropriate EAL support is then provided, to match the requirements of the student, in our specialist EAL Centre. A high proportion of these courses lead to public examinations. There are charges made for this additional support.

For further information, please refer to the Admissions Policy which can be found on the School's website.

Further admissions and payment details:

Direct Debit and Fee Insurance Schemes: -

UK parents can pay their fees and extras conveniently by Direct Debit as the College subscribes to the Holmwoods Term time Collections scheme or the Fees Company. Further details are available on request. Debit and Credit card payments can also be made for a small administration charge.

Siblings

St Lawrence College offers generous sibling allowances. For further details please contact the Registrar on 01843 572931

They can be awarded in conjunction with the academic scholarships. Sports Scholarships, worth up to 30% fees, are also available in Kirby House and the Senior School. Scholarship assessments are held in November and March although late applicants will be considered. If you are interested please contact the Registrar for an informal discussion and to request the relevant forms.

Fees are due and payable before the commencement of the relevant school term.

One full term's notice must be given in writing to the Headmaster in the following instances:

- if parents wish to cancel a place which they have accepted;
- if parents wish to withdraw a pupil who has entered the College;
- if following the GCSE or AS Level year the pupil will not return for the following year;
- if the pupil wishes to discontinue extra tuition;
- if the pupil wishes to transfer from boarding to day only attendance.
