Laundry

The College laundry provides a machine wash service only and whilst every effort is made to adhere to washing instructions on labels, all laundry is processed at the owner's risk. It is therefore recommended that no 'hand wash only' items are brought and that items should be both washable and tumble-dryable. A dry cleaning service is available.

All articles must be sent in good repair - a charge will be made for mending.

All items must be labelled - please refer to previous instructions.
