Section 2: Prohibition from teaching, prohibition from management and disqualification from providing childcare

St Lawrence College is not permitted to employ anyone to carry out 'teaching work' if they are prohibited from doing so. For these purposes 'teaching work' includes:

- planning and preparing lessons and courses for pupils;
- delivering lessons to pupils;
- assessing the development, progress and attainment of pupils; and
- reporting on the development, progress and attainment of pupils.

The above activities do not amount to 'teaching work' if they are supervised by a qualified teacher or other person nominated by the Head.

St Lawrence College is also not permitted to employ anyone to work in a management position if they are prohibited from being involved in the management of an independent school. This applies to the following positions at St Lawrence College:

- Head;
- teaching posts on the senior leadership team;
- teaching posts which carry a departmental head role;
- support staff posts on the senior leadership team;

St Lawrence College is also not permitted to employ anyone to work in a position which involves the provision of 'childcare' if they are disqualified from providing 'childcare'. For these purposes 'childcare' includes:

- all supervised activities before, during and after St Lawrence College day for children in our early years provision i.e. for a child up to 1 September following their 5th birthday; and
- provision for children who are not in our early years provision and who are under the age of 8, which takes place on St Lawrence College premises before or after St Lawrence College day.

Work as a cleaner, driver, transport escort, member of the catering staff or member of the office staff is not considered 'childcare' for these purposes.

The declaration at Section 13 of this Form therefore asks you to confirm whether you are prohibited from carrying out 'teaching work', prohibited from being involved in the management of an independent school and/or disqualified from providing 'childcare'. You do not have to complete these aspects of the declaration if you are not applying for a relevant role. If you are unsure whether the role for which you are applying involves teaching work, is a relevant management role or involves the provision of 'childcare' please contact the HR Manager.

St Lawrence College will also carry out a check to determine whether successful applicants for relevant roles are prohibited from teaching and / or prohibited from involvement in the management of an independent school. Successful applicants for 'childcare' roles will be required to complete a childcare disqualification self-declaration form.

The School will also ask shortlisted applicants (and their referees) to disclose whether they have ever been referred to, or are the subject of a sanction issued by, the regulator of the teaching profession in the countries in which they have carried out teaching work.

Please give your reasons for applying for this post and say why you believe you are suitable for the position. Continue on a separate sheet if necessary.

Section 10: Disclosure and Barring Service checks, criminal record and Children's Barred List

Please be aware that St Lawrence College applies for an Enhanced Disclosure from the Disclosure and Barring Service (**DBS**) for all positions at St Lawrence College which amount to regulated activity. The role you are applying for meets the legal definition of regulated activity with children. If you are successful in your application you will be required to complete a DBS Disclosure Application Form. Employment with St Lawrence College is conditional upon St Lawrence College being satisfied with the result of the Enhanced DBS Disclosure. Any criminal records information that is disclosed to St Lawrence College will be handled in accordance with any guidance and / or code of practice published by the DBS.

St Lawrence College will also carry out a check of the Children's Barred List. Please be aware that it is unlawful for St Lawrence College to employ anyone to work with children if they are barred from doing so, and it is a criminal offence for a person to apply to work with children if they are barred from doing so.

The declaration at Section 13 of this Form therefore asks you to confirm whether you are barred from working with children.

The role you are applying for is also exempt from the Rehabilitation of Offenders Act 1974 and St Lawrence College is therefore permitted to ask you to declare all convictions and cautions (including those which would normally be considered "spent") in order to assess your suitability to work with children. If you are successful in being shortlisted for this role, you will be required to provide information about your suitability to work with children by completing a self-declaration form. In this form you will be required to provide details of all spent and unspent convictions and cautions. **However, you will not have to disclose a caution or conviction for an offence committed in the United Kingdom if it has been filtered in accordance with the DBS filtering rules**

Having a criminal record will not necessarily prevent you from taking up employment with St Lawrence College. Instead, St Lawrence College will assess each case on its merits and with reference to St Lawrence College's objective assessment criteria set out in St Lawrence College's 'Recruitment, selection and disclosure policy and procedure'.

Section 11: References

In order to comply with Keeping Children Safe in Education, referees must be contacted before a candidate attends an interview and not if the candidate is successful at interview (as it is expected in other industries). You cannot opt out of this if you are applying for roles in schools. This process is generally accepted in the education sector and Headteachers or managers will be used to receiving reference requests for current staff.

If you work outside of the education sector and are worried about your referees being contacted before you resign, you should contact the school to explain your situation and they may make an exception.

The purpose of schools contacting your referees prior to interview is to give them the opportunity to discuss the content of the references during interview if necessary. Employment in a school is always subject to two satisfactory references along with additional pre-employment checks.

Please supply the names and contact details of two people who we may contact for references. One of these must be your current or most recent employer. If your current / most recent employment does / did not involve work with children, then your second referee should be from your employer with whom you most recently worked with children. Neither referee should be a relative or someone known to you solely as a friend. St Lawrence College intends to take up references on all shortlisted candidates before interview. St Lawrence College reserves the right to take up references from any previous employer. If St Lawrence College receives a factual reference i.e. one which contains only limited information about you, additional references may be sought.

If you have previously worked overseas St Lawrence College may take up references from your overseas employers.

St Lawrence College will also telephone your referees in order to verify the reference they have provided.
