Terms of Use

- The School aims to provide six inbound and five outbound transport runs per week from Monday to Saturday during term time to each destination. There is no scheduled outbound leg on a Saturday.
- The transport timetable will be subject to confirmation and will be published to all users prior to the start of term.
- Due to potential restrictions on transport availability on the last day of each full term and each half term, outbound transfers may not run but, in any case, will not be charged to parents. Parents should expect to have to make alternative arrangements to cover this leg.
- All transport requests and changes should be sent to the Transport Coordinator via transport@slcuk.com
- Regular (weekly) users will be billed in arrears on a termly basis and will be guaranteed a place on School transport.
- 50% Sibling discount available.
- Casual users are allocated seats subject to availability and will be required to pay a higher rate calculated on a 'per trip' basis and invoiced in arrears.
- All timings are subject to traffic conditions and any changes will be notified by the Transport Coordinator.
- If pupils cannot make inward or outward journeys, parents must inform the Transport Coordinator as soon as possible, to avoid unnecessary delays to the transport timetable.
- All passengers making outward journeys from the College will be checked 'on' by College staff prior to departure.

- Parents are responsible for ensuring that their children are delivered to the inbound departure point and collected from the outbound drop-off point.
- Seat belt laws regarding size and height are in force and affect passengers under 4ft 5ins and especially those under 14 years of age. Parents must seek approval to travel from the Transport Co-ordinator if their child requires a child seat.
- In the unlikely event a school minibus is not available then suitable alternative transport will be arranged.
- Regular (weekly) users are required to provide half a term's notice if they wish to cancel their place.

Please complete and return to the Transport Co-ordinator at transport@slcuk.com

Your booking is secured only when you receive a confirmation email from us.
